## CONTAIN THE RAIN

April is Water Conservation Month, and one great way to conserve water is by collecting all those Spring showers in a rain barrel!

Partnering with Johnson County, we have a program that can help cover some of the costs of projects like this, as well as rain gardens, pollinators, or native trees/plants.

Visit [desotoks.us/ContainTheRain](https://desotoks.us/ContainTheRain) to learn more.

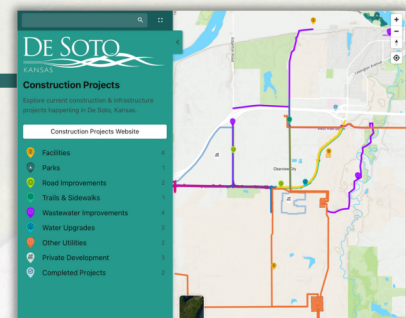

## INTERACTIVE PROJECT MAP

Curious about all the construction activity around town? Check out our newly upgraded Interactive Construction Projects Map!

It's your go-to guide for all current and upcoming projects, giving you "the dirt" on what's happening in De Soto.
