TRUNK-OR-TREAT "TRUNKER" SIGN UP

The City is hosting a Trunk-or-Treat during the "Halloween at the 'Fest" event on Saturday, October 14th, from 5pm-7pm.

If your business or community organization would like to help make the trunk-or-treat a smashing success as a trunker*, sign up online!

**A trunker decorates the trunk of their vehicle and passes out candies or goodies to participants.*

KIDS PAINT ALONG: PUMPKIN PAINTERS

Register your budding Picassos for our second kids art class! Our instructor will guide them through various painting techniques, ensuring they leave with a masterpiece they'll be proud of - a canvas painting of a pumpkin!

- **Date:** Monday, Oct. 23rd
- **Time:** 6:30pm-8pm
- **Where:** Senior Center
- **Cost:** \$20

Register by
Friday, October
20th @ 4pm!

103RD STREET WIDENING UPDATE

There's a lot of movement happening south of K-10, but since a majority of 103rd St is blocked off, here's a view from above!

KDOT is in the driver's seat on the 103rd St. improvement project, spanning from Evening Star Rd. to the Lexington Ave./K-10 interchange, and they're cruising smoothly along schedule (substantial completion by December 2024).

Grading and storm sewer operations are ongoing throughout the corridor, and in the coming months, they'll be shifting gears to focus on subgrade, base, paving, and bridge activities.

To stay in the loop on the 103rd St. project, we encourage you to check out desotoroadimprovements.ksdot.gov.
